

**Dumpster Day, July 19  
8:00am to 12:00pm**

Dumpster Day is back by popular demand! Thanks to our supporters at EDCO, we will have two dumpsters centrally located for general waste. Bring those big items that do not fit in your home trash bin, that awkward stuff in your garage, and clean up without a trip to the dump! Not allowed in the dumpsters - demolition and construction material; fill dirt; auto parts & tires; appliances and electronics<sup>1</sup>; and pesticides, paint<sup>2</sup> and other HAZMAT.

<sup>1</sup>For electronics, see [sites.sandiego.edu/ewaste/](http://sites.sandiego.edu/ewaste/) or try the many other organizations in San Diego offering electronics recycling.

<sup>2</sup>For paint recycling, see [www.paintcare.org/california/index.php](http://www.paintcare.org/california/index.php).

We need a few volunteers to help monitor the dumpsters on the 19th, and walk fliers around the weekend before. If you can help out, email Michael at [webmaster@burlingamesd.com](mailto:webmaster@burlingamesd.com).

Many thanks to EDCO for supplying the dumpsters!

2013 Block Party Revelers

**Block Party, September 6  
4:00pm to 7:00pm**

This year's BNA Block Party will again feature the High Society Jazz Band and their swing tunes. And once again, our Burlingame chefs will be grilling burgers and hot dogs to accompany all the fine side dishes contributed by the neighborhood culinary crew. Bring your appetite. You can also renew your BNA membership there - still only \$25 per year per household.

We need several volunteers to produce this event. There are opportunities for shoppers on Friday, set up before the party, slicing onions and tomatoes, chefs to man the grills, and a clean up crew for after, plus many others.

Please contact Peter at [inquire@burlingamesd.com](mailto:inquire@burlingamesd.com) or Michael at [webmaster@burlingamesd.com](mailto:webmaster@burlingamesd.com) if you can help.

Plans are being developed for other activities at the Block Party - keep your eyes on [burlingamesd.com](http://burlingamesd.com) for updates.

## Burlingame Neighborhood Yard Sale

After taking a break in 2013, the Burlingame Yard sale was back.

Approximately 26 residents braved the heat on May 3<sup>rd</sup> to set up shop with some neighbors “joining forces” to find new homes for their items. Highlights included the lemonade stand which saved the day for many a thirsty buyer and seller, cars seen leaving the area with new found treasures strapped to the trunk and roof, boutique-like settings complete with mirrors to assist customers in choosing the right apparel, fabulous vintage wares beautifully displayed and residents catching up with old friends and making new ones!

A big thank you to Maria Argyropoulos-Minos for capturing the event with her camera.
